Reporter: Well, we don't have a second to waste! Let's begin with some interviews. I'll pick two reindeer and you pick two. Ready? Set?

Elf and Reporter: GO

Reporter: Hello my reindeer friend, what is your name?

Comet: Well, hello! My name is Comet and I love everything about the North Pole and Christmas. My main job is to keep everyone on track, I am so happy you're here!!

Elf: Hello, hello tell me about yourself.

Chad: Hey there, I'm the sporty one of the North Pole and my job is to run the reindeer games. My real name is Donner, but you guys out there can call me Chad.

Reporter: Here we have the first set of Reindeer twins to enter the North Pole. Tell us about yourselves.

Dancer: Hi, I'm Dancer

Prancer: and I'm Prancer

Dancer and Prancer: and we're twins!!

Prancer: and prancing!

Elf: Last but not least, we will be interviewing Vixen! How are you doing today?

Vixen: oh boy I'm excited because today I get to tell you the truth.

Elf: Which is?

Vixen: The North Pole and Christmas is awful-

Liz: awfully great is what he was going for of course!!

Comet: Yeah, he just loves it so so much!

Reporter: I think we've gotten exactly what we need so far, that wraps up our interview portion for today! We'll see you soon with some more to report!

Scene 2:

Elf: Psstttt CG come here, we've got some talking to do. There is definitely something these reindeer are not telling us.

Reporter: You're telling me! That Vixen girl has some MAJOR secrets. We just have to figure out how to get them out of her.

Elf: Well right now they're all in the reindeer shack and if I were to guess, I think they'd be talking about their interviews.

Reporter: Yes! You're so smart. We just have to sneak in there without them knowing and get undercover footage!! Let's go, it's game time.

Scene 3:

Comet: hey, reindeer gather around we need to talk about what just went down.

Jay: Yeah, I know we all have our own problems every once in a while with the North Pole, but we can't let that get out. It is our job to keep Christmas magical.

Rudolf: Yes exactly! I mean for goodness' sake, you guys used to all make fun of my big red nose, but I would never mention that to the world.

Greyson: Yeah, just like I would never mention how annoying my brother Chad can get!

Cupid: Or how Mrs. Claus buys her cookies from the store

Comet: Look bottom line is, Vixen we all know you think Christmas is awful, but-

Reporter: (sneezes)

Jay: Hey! What are you doing in here?

Elf: Son of a nutcracker! We've been caught!

Reporter: Lucky for you, I know the perfect way to distract these Reindeer so that we can get away and post the video of what they just said. Here Chad, look, I have a football

Chad: oh, Football lets goooooooo

Greyson: Chad, if you chase after that football and we have to follow, I will so tell on you!

Rudolf: oh boy!

Cupid: why are things always taking a turn for the worst.

Comet: Chad no!!

Elf: Run!

Dancer and Prancer: bye!!!!

Liz: Dancer, Prancer what are you doing!!! You let them get away!

Dancer: ohh we were supposed to stop them

Greyson: duh!!

Prancer: well, nobody asked us to, oops

Vixen: Guys its better off this way, they deserve to know the truth.

Comet: No, Vixen you got us into this mess, and you WILL help get us out.

Vixen: ugh, fine.

Rudolf: we have to go delete that video!

Chad: look guys I caught the ball!!

Comet: ugh, come on let's go.

Cupid: Plot twist, we found you...

Reporter: You're too late!

Chad: Not if I can help it! I knew that football would come in handy. Comet catch!

(Vixen grabs the phone)

Reporter: Ha! Vixen caught it, I'm sure he's on our side.

Rudolf: Vixen wait, please don't post that.

Jay: Yeah, you can't!!

Vixen: Why shouldn't I, it's the perfect time to expose the truth.

Comet: Look Vixen, I know you don't have the best feelings about Christmas and the North Pole all of the time, but it really is a magical place.

Liz: Yeah, it's where we all became friends

Jay: _____

Rudolf: _____

Greyson: _____

Chad: _____

Cupid: _____

Vixen: Well gee guys, I guess I didn't realize how much the North Pole has done for me. It really is pretty magical after all.

Elf: Wait, Vixen no don't!!!!

Vixen: and delete. I'm sorry CG but I can't have everyone thinking the North Pole isn't magical because of me. The truth is that it really is magical.

Reporter: That's okay Vixen, I should be the one apologizing, I didn't realize the wonderful things that happen here.

Rudolf: Well, if you have figured out the true magic behind the North Pole, why do you still look so sad?

Reporter: I don't have anything to report on anymore.

Comet: I'll make you a deal, if you promise to show only the magic and wonder that the north pole and Christmas holds, you can still report on us.

Reporter: Really, that would be great!

Elf: Thank you!

Vixen: Come on guys! Let go show them around!
